GENERAL INFORMATION

Atelier Mondial – International Arts Exchange Program Basel - Mulhouse - Freiburg – offers artists from the Basel region (Switzerland), the Canton of Solothurn (Switzerland), the city of Freiburg im Breisgau including the region of South Baden (Germany), and from the region Alsace (France) the opportunity to spend several months working abroad as part of the annual open call.

In the course of opening up the grant programme to other disciplines, Atelier Mondial, in collaboration with various partners, is announcing new grants for Fashion & Textiles, Culture Mediation, Literature, and Dance/Performing Arts. The same terms and conditions apply to these grants as to the open call in the discipline of Visual Arts. The open call in the discipline of Fashion & Textiles, Literature, and Dance/Performing Arts will follow in separate texts. It is not possible to apply for different disciplines at the same time.

SPONSORSHIP

The project is supported by the Christoph Merian Foundation (project management), the Cantons of Basel-Landschaft, Basel-Stadt, and Solothurn, the city of Freiburg im Breisgau, and the Alsace region.

PROJECT MANAGEMENT

The Atelier Mondial project management is the responsibility of the Christoph Merian Foundation. It coordinates the organisation and administration of the exchange programme at home and abroad and represents the Atelier Mondial sponsorship externally.

FUNDING OBJECTIVE AND TERMS AND CONDITIONS

The open call is aimed at professional curators, art critics, and cultural mediators in all disciplines who live or work in the cantons of Basel-Stadt, Basel-Landschaft, Solothurn, Alsace, or South Baden.

The aim of the grant is to give curators, art critics, and cultural mediators time to research and produce new projects, to enable intercultural experiences, and to establish an international network. In return, Atelier Mondial receives artists from their partner cities and hosts them in its seven studios on the Dreispitz in Basel, in Freiburg im Breisgau, and in Mulhouse. The artists from the partner countries are usually selected by the partner institution.

The stay in one of the partner countries made possible by Atelier Mondial is to be understood as a work placement. The encounter with a foreign culture as well as the networking with the local art scene should make an essential and lasting contribution to the artistic development and artist biography. This requires communicative openness and initiative on the part of the participants. Depending on the location, participants should be able to converse in English, French, or Spanish, and a basic knowledge of the host countries is necessary. As a rule, not all destinations can offer the same opportunities. Depending on the chosen destination, specific cultural or work-related situations must be expected by the grant holder, while in turn, our local partner institutions also have certain expectations of their guests from abroad. These conditions are now listed in the description of the ateliers under the term "Requirements". Please take note of this section when submitting your application!

FINANCE

Confirmation for a studio abroad comes with a fixed contribution for travel and living expenses depending on the partner location. Any additional costs incurred during the stay abroad (personal expenses, fixed costs at the home location, etc.) are generally the responsibility of the participants. For the travel grant a lump sum of CHF 15'000 is provided. The Christoph Merian Foundation, the Cantons of Basel-Landschaft, Basel-Stadt, and Solothurn, the City of Freiburg im Breisgau and the Région la Ville de Mulhouse or the DRAC Grand-Est cannot grant any further contributions in addition to this amount. If a stay abroad must be terminated for various reasons, the grant holder is obliged to reimburse the grant on a pro rata temporis basis to Atelier Mondial.

OBLIGATIONS OF THE PARTICIPANTS

At the end of the stay abroad, the artists must submit a report evaluating the stay (approx. four A4 pages) to Atelier Mondial.

LIABILITY

Participation in the Atelier Mondial programme is at the artists' own risk. Atelier Mondial accepts no liability whatsoever.

SELCECTION PROCESS

In each discipline, a separate, independent jury reviews all the dossiers and makes the final decision on the distribution of the grants and the contribution to living expenses. The juries reserve the right to invite artists for a personal interview for the final decision. *The jurying of all disciplines will take place at the end of August 2023. All applicants will be informed of the decisions in writing by Atelier Mondial by mid-September 2023 at the latest.*
