GENERAL INFORMATION

Atelier Mondial, International Arts Exchange Program Basel – Mulhouse – Freiburg, is offering artists from the Basel region (CH), the canton of Solothurn (CH), the city of Freiburg - including the south Baden area (DE) - and Alsace (FR) the opportunity of an extended work placement abroad as part of its annual tender.

Opening the grant program up to other disciplines, and in collaboration with different partners, Atelier Mondial is now awarding new scholarships for fashion & textiles, literature, and dance/performing arts. The same conditions apply for these grants as for the tender in the field of visual arts. Tenders for fashion & textiles, literature, and dance/performing arts are in separate documents. It is not possible to apply for different categories at the same time.

New: Application for Artist Duos!

The Atelier-Mondial jury can now award a financial subsidy to an artist duo or couple. Please note the separate application procedure, where both partners have to provide the required papers.

SPONSORSHIP

The project is supported by the Christoph Merian Foundation (project management), the cantons of Basel-City, Basel-Country and Solothurn, the city of Freiburg in Breisgau and the Alsace region.

PROJECT MANAGEMENT

The Atelier Mondial project management team is located at the Christoph Merian Foundation. It coordinates the organisation and administration of the exchange program within Switzerland and abroad and represents Atelier Mondial's sponsorship externally.

DEVELOPMENT TARGET AND CONDITIONS

The tender in the field of dance/performing arts is aimed at artists, choreographers and performers at the interface between dance and theatre. The aim of the period abroad is to offer the grant recipient the opportunity to carry out research, find ideas for work and inspire projects for dance-related work.

FINANCIAL

When committing to a studio abroad, you receive a fixed contribution, set according to partner location, linked to travel and living costs. Any additional costs incurred during the period abroad (personal expenses, fixed costs at home, etc.) shall be paid on principle by the participant. The Christoph Merian Foundation, the cantons of Basel-Country, Basel-City and Solothurn, the city of Freiburg in Breisgau and the Région la Ville de Mulhouse or the DRAC Grand-Est cannot grant any further contributions. Should a period abroad be cut short for any reason, the grant recipient is obligated to pay the scholarship back pro rata temporis to Atelier Mondial.

PARTICIPANT OBLIGATIONS

After completion of the period abroad, the artists must submit a report evaluating the stay (approx. four A4 pages) for the attention of Atelier Mondial.

LIABILITY

Participating in the Atelier Mondial program is at your own risk. Atelier Mondial assumes no liability.

SHOWCASE

Subsequent to the trip abroad, the candidate will have the opportunity to reflect their new-found impetus – and in consultation with the management at Roxy – in a showing at the Roxy Birsfelden.

INVITATION TO TENDER FOR 2024

OPEN TRAVEL GRANT FOR ARTISTS IN THE FIELD OF DANCE / PERFORMING ARTS FOR A FREE PROJECT ABROAD

Atelier Mondial is calling for tenders in the field of dance/performing arts for the year 2024. The destination(s) and length of the trip that is to enable the research or realisation of a free artistic project in the year 2024 can be selected freely. Interested parties must apply with a project that is as specific as possible (including a project budget) and that can be realised only and expressly by travelling abroad (applications for stays lasting several months at institutions around the world and outside of the Atelier Mondial programme therefore cannot be considered). It is not possible to combine this grant with grants from other institutions or to accumulate grants. Atelier Mondial guarantees no on-site support for the travel grant; the grant recipient shall be left to their own devices. The grant is intended to cover three months and is endowed with CHF 7,000.00.

SELECTION PROCEDURE

For every category, an own, independent jury will sift through all the dossiers and ultimately decide on the grant allocation and the contribution to living costs. Juries reserve the right to invite artists to a personal interview in order to make the final decision. **The selection for the field of dance will take place at the end of August 2023. Atelier Mondial will let the applicants know their decision in writing by middle of September 2023 at the latest.**
